Chesterfield, MO 63005

Dear Steve;

Thank you for everything you did in helping with the Piasa Bird painting project. Without your generous donation the project could not have been completed. The project went smoothly and I have heard nothing but compliments on the completed work.

In appreciation, we will recognize your support on our "Thank You" board soon to be added to the Piasa Park kiosk. Again, thank you.

Sincerely,

Michael Drake, Executive Director
Park and Recreation Department
